DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the essential difference from the prior art is classifying blocks into at least an object block, a background block, and a border block in accordance with a frequency of occurrence of motion vectors detected for each block. These features in combination with the other elements of the claim and the base claim are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
